

**Ms. Ulla Perman,  
Equality Ombudsman**

Since January 2023, Ms. Perman has been an Investigator in Development Section at Equality Ombudsman. Her works focus on dialogue and networking with actors in the civil society to jointly counteract discrimination and the production of material for education and information and the development of the agency's outreach efforts.

Prior to working with Equality Ombudsman, she has had experiences working as a Development Manager at Stockholm County Administrative Board as coordinating and consulting with the Sami Parliament to follow up and support law and regulations concerning the rights of national minorities and as an Investigator at Public Employment Service Headquarters, Stockholm.
